Ingredients

0.33 medium (12 oz) English cucumber, cut into quarters through the length then sliced
5.33 oz. grape tomatoes*
0.17 small red onion,** sliced into small pieces
0.67 medium avocados (firm but ripe), sliced into bite size pieces

Dressing

0.5 Tbsp fresh lemon juice***
0.5 Tbsp red wine vinegar
1.17 Tbsp extra virgin olive oil
0.33 tsp honey
0.5 tsp minced garlic
0.08 cup chopped cilantro
0.08 cup chopped parsley
0.17 tsp dried oregano
Salt and freshly ground black pepper

Instructions

1. For the dressing: In a small mixing bowl whisk together lemon juice, red wine vinegar, extra virgin oil oil, honey, garlic, cilantro, parsley, oregano, and season with salt and pepper to taste.
2. In a large bowl gently toss together cucumbers, tomatoes, red onion, and avocado with dressing.
3. Serve shortly after preparing.

Notes

- *I like to use a multicolor blend of tomatoes for a more visually appealing salad but all red tomatoes work just fine too.
- **For a slightly milder flavor red onions can be rinsed under water and drained well to help remove harsh bite.
- ***Lime juice can be substituted.
- For a more refreshing salad you can use chilled ingredients and a chilled dressing (don't chill tomatoes longer than a few hours though, and wait to cut the avocado until ready to serve).
