NOTES

Make-Ahead: This sandwich is meant to be eaten as soon as it comes out of the broiler, but it can be reheated easily.

How to Store: Keep covered in the refrigerator for up to 3 days. This will not freeze well.

How to Reheat: Place the sandwich on a cookie sheet tray and bake in the oven at 350˚ for 5-7 minutes or until hot and the cheese is melted.

With the leftover bechamel sauce, you can make potatoes au gratin, chicken nachos, biscuits and gravy, or lasagna Bolognese.

Since artisan bread has large slices, you will likely have to cook them in batches.
